

Introduction to *AI*.

Cutting through the noise.

01 · JOIN

Scan to participate.

This isn't just a talk — it's interactive.
Point your phone camera at the code to ask
questions live and chat with Claude
(an actual AI) right here in the room.

POINT YOUR CAMERA

02 · USE THE TOOLS

Three things your phone can do today.

1

Ask a question

Submit a question any
time during the talk.
We'll answer it at the
end. It appears in our
live queue — no mic.

2

Chat with Claude

Curious about an idea
we cover? Ask Claude
directly how it applies
to your business —
right from your seat.

3

Save our contact

Scroll to the bottom
of the page and tap a
presenter's name to
save us to your phone
— no business cards.

BEFORE WE BEGIN

- **Phones on silent.**
Vibrate is fine.
- **Phone use is encouraged.**
Use it to ask and to chat with Claude.
- **No question is too basic.**
If you're wondering, someone else is too.
- **Stay until the end.**
Take-home tools come at the closing slide.
